

## U-Handles

EH 24300.

### Product Description

U-handles are used, for example, on machine doors, furniture doors, cabinet doors, drawers and drawer units.

These U-handles are characterised by their ergonomic profile design with very high stability and their simple and timeless design.

### Material

#### Handle

- Aluminium, drawn, bright, vibratory grinded
- Aluminium, plastic coated, similar to RAL 9005, black
- Stainless steel 1.4301, dull blasted
- stainless steel, slide polished, shiny metallic finish

### Assembly

Back mount handle.

### Drawing
